

CHOCOLATE STORAGE TANK

1,000 KG - 12,000 KG CAPACITY
CHOCOLATE STORAGE TANK

MACINTYRE
CHOCOLATE SYSTEMS

PROBAT GROUP

1,000 KG – 12,000 KG CAPACITY CHOCOLATE STORAGE TANK

Features

- Jacketed
- Geared Motor Drive
- Stirrer Paddle
- Integral Water Heating System
- Outlet Connections
- Load Connections
- Vent Valve
- Insulated
- Remote Reading Temperature Sensor
- Minimum/Maximum Level Sensor
- Control Panel
- Stainless Steel Manufacture

Benefits

- Cost effective system for the storage of pure chocolate and compound
- Low energy consumption
- Easy maintenance
- Minimal labour requirements

Optional Extras

- Load Cell Weighing System
